GREETINGS

The thirtieth edition of the Roller is now in your hands. Those who are responsible for its publication herewith present a graphic description of personalities and activities which prove that old M.H.S. continues the pattern of educational service and intellectual and physical accomplishments, long ago established in this institution of learning. "The moving finger writes and having writ moves on." The present soon becomes the past, and the future soon moves into the position of the present. But as time flows on quietly and relentlessly, interested eyes may repeatedly scan these pages and momentarily turn back the pages of time and recapture and re-live the rich and happy moments previously experienced in these halls of training.

It is with this idea in mind that we dedicate this Annual to all who have shared with us the enjoyable use of our beautiful well-kept buildings, the rich association of our varied and talented faculty, and the efficient and energetic Administration and Board.

We wish to express our appreciation to Mr. Kukuk, the advisor and editor, to Miss Fenton and her art students, and to the competent staff of eleventh and twelfth grade students who gave willingly of their time and talent to make this 1955 Roller a definite success.

SENIOR CLASS HISTORY

On a beautiful day in September 1941, we proudly allowed our mothers to accompany us to school. Miss Bailey cheerfully greeted us at the door with a silent prayer. We cried like mad when our escorts left us; but we soon accustomed ourselves to the fact that we were growing up and we had to face some things in life alone. All in all, our kindergarten days were not too bad. Poor James! Remember how he spent months building a beautiful block house, only to have Ted knock it down? Oh, well, you have to take the bitter with the sweet.

Miss Bailey gladly passed us on to Miss Sherman and Mrs. Williams (now Mrs. Kneezek). Terri Bucan and Bill Durkin joined our gang. First grade turned out to be even more fun than kindergarten. Boy! We had to really work hard learning our "A B C's."

Then on we go to second grade. This was the only year no one was added or subtracted from our merry group. Our teachers this year were Mrs. Henry and again Miss Sherman.

Third grade came and for the third year our beloved class was split up. Nance Julian came to us from Ridge and Shirley Elliott from Marietta. Shirley surely gave all of the boys a thrill with that beautiful, long blonde hair. We thought we would never learn those horrible multiplication tables (and some of us never did. Did they, Mr. Hadley?). The poor teachers that we had to put up with (or rather that had to put up with us) were Miss Hinton and Miss Pethel. Remember the various forms of punishment Miss Hinton used on us poor innocent (?) kids?

On to one of the best years of our innocent youth — fourth grade — with Mrs. Reddinger and Mrs. O'Neil as teachers. Two newcomers came to us from Youngstown, Mary Olson and Donna Ward. However, we lost three girls, Mary Alice Tankovich, Norma Wright and Ruth Ann Robins.

Leslie Gahagan joined our already large group as we entered 5th grade. Big things happened this year. Under the guidance of Mrs. Curry and Miss Jeannette Roush, we took part in the United Nations play given by the entire grade school. Remember those darling green and white costumes we wore for our Irish dance, girls? This year some of our songbirds donned their white robes, as they became members of the grade school choir.

On to sixth grade—our last wonderful year at Roosevelt School. We'll never forget the thrill of going to Stambaugh Auditorium to hear the Youngstown Symphony Orchestra present their special children's concert. Remember when Bill and Lynn took their buggy-ride in our sixth grade commencement? This was the year June Simpson entered our dear class and we lost Carol Jean Edwards.

Seventh grade was our first big year in high school. We were really getting up in years now. The big highlight of this year was changing classes. Gee, the teachers sure must have trusted us to let us on our own like that. Also we were given the choice of joining two clubs, History Club and C.B.C. Most of us had never witnessed initiation before and it was a thrill even if we were unrecognizable.

Sally Calvert joined the troop this year. Our first two teachers in high school were Miss Newlun and Mr. Rea. We were satisfied with them and were happy that they would go with us up to the ninth grade.

The following year we lost Mr. Rea, who was replaced by Mr. Sonoga. As things turned out, we liked him just as much. This year as eighth graders our class was honored with the presence of Jean Cheatham. Jerry Paugh took a detour that year to finish school in Detroit, Michigan.

On to ninth grade, and we big freshmen were choosing our own subjects. That was really some choice we had between Latin and civics. Oh, well, we were satisfied. This year our "brains" got a chance to show their stuff. They went to Kent, and I must say everyone from our class placed in some rank. From then on it was "Nothing's too good for the Freshmen!" That is, until we went on to tenth grade. Then we were Sophomores.

As Sophomores we were on the third floor, but that wasn't the only thing. We changed teachers. We swapped Miss Newlun for Mr. Golubic, but Mr. Sonoga went right on with us. As tenth graders we got our first taste of a lab-science and biology. Some of our sweet young things were afraid to take the scalpel in hand and cut up the "victim". Our "Betty Crockers and Alice Westons" had themselves a time in Home Ec. Remember how the two Bettys and Vereneida kept making their poor boyfriends eat the stuff they made? No wonder they were absent so often. This year Barb Downs and Harry Pentala joined us, but we lost Jean Cheatham and Ray Vesey.

When our class passed on to become Juniors, it was like passing on to another life. The big deal this year was Prom. The only catch was No Money—No Prom. You never saw a bunch of kids working together before as one big team, trying to raise money. We got into scrapes and fights, there were tears and laughter; but in the end, we had the biggest, most, "Bestest" prom that ever was. Another big thrill was when we received our class rings. They were sharper than those of any previous class. This year our only loss was Joe Cupan, who took to the working world. Mary Brown joined us from South High in Youngstown.

Seniors, at last! I guess everyone remembers their senior year more than any other, and we certainly do have a lot of memories from ours — I.C.L. Champs, basketball, scholarship tests, graduation pictures and our very last minstrel. This was the year when every little, sad event that happened made our poor, tender-hearted girls cry! The Juniors honored us with a beautiful prom. (but we still think none could compare with ours.) Baccalaureate brought tears from all, I guess, because it made us realize our school days were few. With Commencement behind us, we were really sorry that our last days at M.H.S. were ended. So as we face the future, we will look back on our years spent in school with an ache in our hearts and tears in our eyes for they are gone forever.

"When we graduated in 1955, we decided to have a reunion in ten years," said Loretta. Here it is 1965 already, and the reunion committee (Pearl, Lotsie, Sal, and Lynn) are still trying to find where everybody is as we are sitting in the offices of Jane Meek's Broadway Production—"Aqua Antics."

"Well, where should we start?" asked Loretta. "Maybe it would be easier to start alphabetically, don't you think so?" We all agreed. "Jack Betts is first on our list," she continued. "Does anyone know where he is?" "Oh! I saw Jack the other day. He and Honey are married now, and Jack is selling balloons to support their three children," Pearl said. "Oh yes, he mentioned what a coincidence it was that Marie Clifford is teaching school now, and that his son is Marie's star pupil." (Cliff also married her dream man—coach of Ohio University.)

"Well, that's killing two birds with one stone," said Loretta. "Does anyone know the whereabouts of Mary Brown?" "Yes," Pearl said. "Donna Ward is running a big photographic studio, and Mary Brown is taking care of her books. She's a very good book-keeper."

"I'm afraid Teresa Colburn won't be able to be here," Sal said. "She's head majorette for the Navy football team, and they have a game tomorrow. Fred Toth is their star full-back. He can really kick that football!"

"I was talking to Betty Toth the other day (she's practicing her interior decorating on Dave, in their own little home), and she was telling me about Teresa and Fred," Sal said.

"We're getting off the track here," said Loretta. "We'd better start alphabetically again. Where did we leave off? Terri Bucan, huh! She and Dave are married now. In fact, they've already started on a basketball team. Dave is coaching the two boys, and Terri is teaching their little girl the fundamentals of cheerleading. She's already got a good start. She sure can make lots of noise!"

"I don't think Pat Dinard can be here either," said Sal. "She's the head buyer of Saks on Fifth Avenue of New York, and she's in Paris now, looking for new fashions. Gary Frazier is running a most exclusive shop in Chicago called 'The Tall Men's Shop.' Oh, Yeh! Here comes Leslie Gahagan. He's showing off his nails. He just got them manicured."

"Sal," said Lynn, "did you know he owns his own service station, and he's top mechanic at the job?" "Let's see who's next. Oh, yes, I read in the Youngstown Vindicator a story written by Bob Getts (star reporter), stating that Bob Miller is running for Democratic governor of Ohio," said Lotsie, and isn't it wonderful how so many of the class are successful? Speaking of being successful, Nancy Julian is an understudy for Audrey Hepburn (I'll bet she never expected that when she moved to California). Shirley Elliott and Al are now happily married and also living in California. Hope they can make it to the reunion. I don't think Bill McBride will come, though, because he's still in Alaska, trying to find that uranium mine. Oops! were off the track again. Who's next? Terry Freisen, Oh! He's the recorder on the hit parade. (I dream of 'Jeannie with the Light Brown Hair'). I heard it on "Dial Durk's" disc jockey show.) Bill Durkin is really making good. He's got his own disc jockey program.

"By the way," said Lotsie, "Barb Downs is a hat check girl in my night club." "Do you have a night club, Lotsie?" "Yes, Pearl. It's exclusively for sailors; its near Norfolk, Virginia." "How nice!" exclaimed Lynn. "Did you girls know that Jeral Johnson manages a chain of grocery stores?" asked Pearl. "Very successful, too."

"Pearl, do you know whether Rich Gonze is coming?" asked Lotsie. "Yes! He's coming." "Did you know he and Tom Tyger are running a steam-bath house in down-town new York?" continued Lotsie. "Yes! I guess they're successful. Here they come in their Cadillac. Boy, isn't it sharp?" said Sal enthusiastically.

"Betty Grosbeck and Bob Hobbs are married and raising two little Bobbies," said Pearl. "I guess they will come if they can get a baby sitter."

"Did you know that Dorothy Joe is Dorothy Dandridge's own personal hair dresser? Yes, Dorothy owns her own parlor down town in Hollywood," said Loretta.

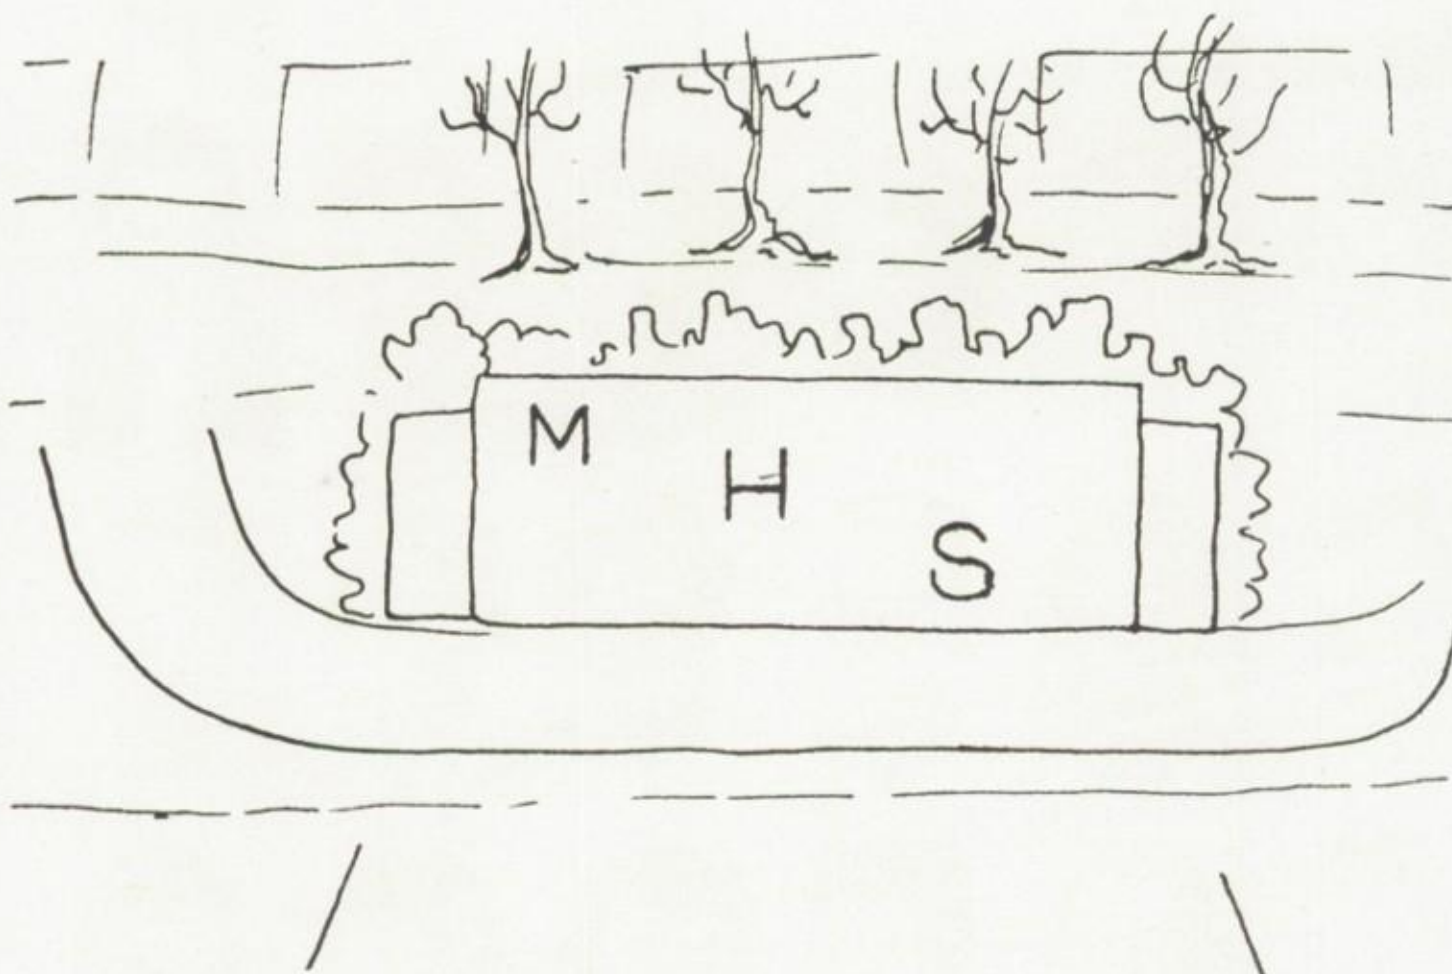

"Joann Krossman is still at M.H.S.," said Lynn. "She's taking Miss Newlun's place as a shorthand teacher. Oh, Yeah! Martin Kielch is still here, too. He's president of the Board of Education."

"By the way, Pearl, where are you working?" "Oh, I own my own shoe store in Youngstown. It's called Pearl's Shoe Store."

"Well, I guess we're back to the boys again," said Loretta. "Did you know that

INTER-COUNTY LEAGUE CHAMPS

McDONALD FOOTBALL SCHEDULE

McDonald—6

Goshen—7

McDonald Blue Devils dropped a very close decision to the Goshen eleven, who were admitted to the Inter-County League this year. This was the only loss handed to the Blue Devils this season, and it spoiled a perfect record.

McDonald—0

Columbiana—0

Both McDonald and Columbiana fought a very hard battle, only to end it in a scoreless deadlock. This, as with all of the games, was in league competition.

McDonald—34

Jackson-Milton—0

After a loss and a tie, McDonald broke into the winning column for the first time this season at Jackson-Milton, by defeating the Blue Jays in a one-sided contest.

McDonald—25

Canfield—7

The Blue Devils then traveled to Canfield to meet their arch-rival, the Canfield Cardinals. The McDonald boys came out on top of a very impressive 25-7 score over the Class "A" Cardinals.

McDonald—47

Lowellville—7

The very much improved McDonald eleven had an easy evening as they downed the Lowellville Rockets in their home-coming game. This was the third league win for the Blue Devils.

McDonald—41

North Lima—0

McDonald again had an easy evening at home when they defeated the Zippers of North Lima and captured their fourth league victory.

McDonald—41

Springfield—0

McDonald climaxed their season by defeating the Springfield tigers on home ground, giving the Blue Devils another winning season.

The McDonald Blue Devils closed their season with a record of five wins, one tie, and one loss. They were crowned the Inter-County League Champions for the second time in the four years of the league's existence. They received a trophy and now have two of three required legs of the rotating trophy.

McDONALD MUSIC BOOSTERS CLUB

In celebrating the second birthday of our Music Boosters Club, we would like to take this opportunity to thank those who contributed in any way to the following accomplishments of the past year:

For the second year in succession we had charge of concessions at District No. 5 Band, Orchestra and Chorus auditions held at McDonald High School, thereby enabling us to finance the trip of our orchestra and chorus to the State Auditions at Columbus. The orchestra won a beautiful plaque, inscribed: "Ohio Music Education, State Competition Finals, Superior Rating."

In October the band was awarded a trophy at the Girard Homecoming Parade, inscribed: "Best Marching Unit."

For the first time in the history of the school, music scholarships were given. They were awarded at graduation to Alice Ann Rea and Judith Johnson.

On December 8 we held our second annual Music Boosters Banquet to honor our band. After Mr. Phillips spoke and awarded the Seniors their Musical Keys, our Toastmaster, Earl Walker, introduced our guest speaker, Mr. George F. Strickling, director of the fam-

ous Cleveland Heights High School Choir. All those present were given the opportunity of hearing a man whose life time has been devoted to teaching music. He showed a colored film and described in detail the fabulous tour that took them through ten countries of Europe.

If the parents of all the children who form these musical groups would unite, they could lend a strong right arm, so to speak, to those through whose efforts our children attain this wonderful music background.

Class Prophecy

(Continued from page 20)

Ted Nock is professor of history in Ohio State University? Oh, well, I guess he always was that type." (?!?)

"Does anybody know what happened to Don Pearce after he graduated?" asked Lynn.

"The last I heard he was happily married, but still borrowing money for gas from his father-in-law," replied Loretta. (huh! Peg)

"I saw Harry Penttala yesterday," said Lynn. "I was at his used-car lot looking for a car for my brother. You should have seen him. He was in his office sitting in a big chair and smoking a big cigar. I told him about the reunion and he said he would come."

"Sal, did you see Jackie Gleason last Saturday?" asked Pearl. "Frank Regich was the star on the program while Jackie was away. Yeh! (and away we go)!"

"Have you heard anything from Bill Roberts?" Lynn asked. "Yes! I saw him the other day, still looking for the right one to come along," replied Pearl.

"While I was in the hospital visiting my Mother," said Loretta, "I saw Dee Roberson. While I was talking to her, she told me that she was a registered nurse (taking care of Waymon's Sniffles). Dee told me she saw 'Bee' Ryan the other day. He's now manager of the Red Head's basketball team, and doing a fine job coaching them. June Simpson seems to be interested in sports, too. She is now a famous swimmer in the Olympics."

"I hear Jim Synder is chief rival for Liberace? (Yeah, only Jim can't sing!)," reported Lynn.

"Last but not least, on our list," said Loretta, "is Paul Zajac. I think he'll be able to make it, he's an owner of his own book shop. (He always did like to read books).

"Well, I guess we have rounded up all of our class now, Oops! We nearly forgot about Lynn Goodrich. What exciting things have happened to you, Lynn?" "Oh, I'm married now to a millionaire that I met at Miami University," Lynn replied.

"Let's decide what time and where we should hold the reunion," said Pearl. "Let's have it about 2:00 o'clock in the afternoon." "Oh, that will never do," Sal exclaimed. "I won't be able to come then, because Bob has a game. (He's end for the Cleveland Browns). Let's make it a little later! Golly, I can't wait! What fun we'll have!"

Class of '55

They're telling you times aren't normal? That these are difficult years in which to be young? Don't believe it! For these are surely the greatest years in which to grow up! Never before has the world been so brimful of golden chances for you!

Yours are new horizons of science, of business, of the arts . . . yours are the horizons of searching for solutions still better than those already reached.

Yours are the gates to the highest in learning. Here, in the libraries of our land, in the colleges and universities, are the products of the greatest minds of all ages . . . all compiled for you.

Times are not normal? Hard years for youth?

Deny it, Graduate! Tell them you wouldn't trade a day of your wonderful future for any year of the past!

McKELVEY'S

1883 — 1955

Where Do You Go From Here?

Whether you're going on to higher education, looking for a position or perhaps some other plan, it's important to know important facts about yourself. To be a success in anything you must know your talents, your special qualifications and abilities, your personality. These are your special tools—they can produce a bright future for you.

Here's How You Can Help Yourself

You can decide now what you are most advantageously suited for through a scientific examination. Fran Scott is arranging these examinations now. Personal interviews and direct supervision by —

Prof. John W. Bare and Prof. K. H. Evans, Government qualified Psychologists and career councilors. The tests are originated by Columbia, Minnesota and Iowa Universities.

Full day is required to accomplish test and interviews. Charge for testing with a complete confidential report of your analysis—\$25.00
